NEWSLETTER OCTOBER 2025

Dear Parents,

As October bids us farewell and the soft hues of November unfold, I am pleased to share this month's newsletter—a reflection of growth, creativity, and joyful learning that filled our school corridors. Each page carries moments of pride and purpose, echoing the laughter, curiosity, and dedication of our students and teachers alike.

*Like autumn leaves that dance in cheer,
Our young minds bloom year by year;
With every step, they learn and play,
Building dreams along the way.*

October has been a month rich with accomplishments, cultural celebrations, and academic milestones that continue to shape our collective journey. I extend my heartfelt appreciation to our teachers, students, and parents for the harmony of effort that keeps our school spirit alive.

As we turn the page to November, we eagerly look forward to two joyous occasions — *Children's Day* and the *Annual Day celebration*—moments that celebrate the boundless energy, imagination, and promise of our children. Their smiles, voices, and performances will remind us once again why education is truly a celebration of life.

Thank you for your constant support and faith in our shared vision.

Best Wishes!

Madhu Chauhan
Principal

HIGHLIGHTS

- *Spooktacular Halloween Party*

No. 1 Budget School in GURUGRAM

Tagore Public School

We are delighted to announce that Tagore Public School has been ranked **#5 in Delhi NCR and #1 in Gurugram in the Budget School category** by the **Education World India School Rankings 2025-26**.

This recognition stands as a testament to our unwavering commitment to providing quality education, fostering holistic development, and creating a nurturing environment where every child can thrive. We extend heartfelt gratitude to our dedicated teachers, supportive parents, and enthusiastic students whose collective efforts continue to shape our school's journey of excellence.

Together, we aim to reach even greater heights in the years ahead.

Celebrating Excellence in Educational Innovation

We are delighted to announce that our respected Principal, Mrs. Madhu Chauhan, has received the prestigious '**Innovation in Education**' award in recognition of her significant impact on the field of education.

This honour was presented during Talent X, an initiative by Career Honors in collaboration with You Can Foundation (NGO). When the organizers first conceived Talent X, they were clear about one vision: creating a platform that could be competitive but would never lose its grace as a festival celebrating diverse talents.

Mrs. Chauhan received the award from Ms. Yasmin Kidwai, Documentary Filmmaker, Podcaster and Ex-Municipal Counsellor, Delhi, at this distinguished occasion. We extend our heartfelt gratitude to Mr. Monis Shamsi and Mr. Avijit Chakravarthy, the Founders of Career Honors and You Can Foundation, for having her as a guest of honour and recognizing her outstanding contribution to education.

We congratulate Mrs. Chauhan on this exceptional achievement and thank her for her inspiring leadership and dedication to educational excellence.

Celebrating Excellence in Education

On the occasion of Teachers' Day, a grand felicitation ceremony was organized on 13th September 2025 at Siddheshwar School, Sector 9, Gurugram, to acknowledge and celebrate the

invaluable contribution of teachers in shaping young minds and nurturing the nation's future. The event was graced by **Cabinet Minister Mr. Rao Narbir Singh** as the Chief Guest, who honored around 350 teachers from across the city for their exemplary dedication and commitment to the teaching profession.

We feel immensely proud to share that our teachers, **Mr. Ram Karan** and **Ms. Amita Bansal**, were among the distinguished educators felicitated on this special occasion for their outstanding contribution to the field of education and their unwavering efforts in guiding and inspiring students. The ceremony was marked by inspiring addresses, cultural performances, and an atmosphere filled with respect and gratitude towards the teaching

fraternity. The event served as a beautiful reminder of the vital role teachers play in shaping young minds and fostering lifelong learning.

Unlocking Cyber Wisdom with Dr. Rakshit Tandon

On 15th October 2025, Tagore Public School had the privilege of hosting Dr. Rakshit Tandon, a distinguished cyber security evangelist, national cyber security expert and crime investigator. He specialises in cyber forensics and ethical hacking for India's law enforcement agencies.

Dr. Tandon conducted an enlightening and highly interactive session on the topic "*How to Avoid Cyber Threat?*" The session aimed to educate students about the increasing risks in the digital world and to make them aware of safe online practices.

With his dynamic style and engaging storytelling, Dr. Tandon captured the attention of every student. He shared real-life incidents of cybercrimes that have taken place in recent times, helping students understand the seriousness and reality of cyber threats. He also emphasized the importance of responsible digital behaviour, cautioning students against the excessive use of mobile phones and the consumption of violent or unproductive online content, which, he explained,

can hinder mental growth and focus.

Throughout the session, Dr. Tandon encouraged students to use technology wisely and meaningfully, focusing on acquiring knowledge rather than indulging in distractions. In the concluding part of his address, he guided students on ways to identify and avoid cyber scams and shared details of official websites and helplines where individuals can seek help in case of any online threat or cybercrime.

Igniting Young Minds - Innovation in Action at Tagore Public School

At Tagore Public School, we believe that the future belongs to those who dare to dream, innovate, and lead with purpose. Keeping this spirit alive, we proudly hosted the '**1 Million Founders - Innovation in Action**' Orientation Program, an inspiring initiative by **Consat Orahi** in collaboration with Google for Education on 30th September 2025.

The interactive session was graced by two eminent speakers Ms. **Priyanka Sharma**, Director - Strategy and Growth at Consat Orahi and Strategic Partner with Google for Education **Dr. Neha Raghav**, Director - 1 Million Founders Orahi, Google for Education.

Addressing students of Grades VI-XII, both speakers conducted an engaging and thought-provoking orientation that left our young learners motivated and future-ready. They emphasized creativity, problem-solving, and entrepreneurial thinking as the cornerstones of building a self-reliant India by 2047. The orientation not only inspired

students to embrace innovation but also provided real-world insights into startup culture, leadership skills, and the spirit of entrepreneurship. A moment of pride for our school came when a scholarship was awarded to Rahat (Grade XI), recognizing his talent and potential.

The event concluded with an inspiring address by our Principal Ma'am, who highlighted how such initiatives bridge education with innovation and empower students to become creators of change. As a gesture of gratitude, our school felicitated the distinguished speakers with a plant pot - a symbol of growth, learning, and sustainability. This marks a proud milestone for our school community as our students step into a national movement to create one million young founders for Viksit Bharat.

Mental Health Awareness Session on Emotional and Self-Awareness

'To understand the world around us, we must first understand the world within us.'

Keeping this thought at the heart, Tagore Public School organized a special **Mental Health Awareness Session** on 27th September 2025 for students of Grades VI to XII in the MPH.

The session was conducted by **Ms. Pratibha Kotak, Consultant Psychologist**, who engaged the learners in an insightful and interactive discussion on the theme '*Understanding Emotional and Self-Awareness*'.

The prime objective of the session was to empower students to identify and understand their own emotions, develop self-awareness and self-reflection, learn practical ways to manage stress, peer pressure, and academic challenges, build empathy and emotional intelligence for healthier relationships.

Through real-life examples, interactive activities, and reflective exercises, Ms. Kotak kept the students actively involved, creating a safe space for them to express their thoughts and feelings. The session encouraged open

conversations and helped learners realize that mental health is as important as physical well-being.

The workshop concluded with a powerful message — emotional awareness is the foundation of resilience, confidence, and inner strength. Students left the hall inspired, carrying with them the tools to better understand themselves and connect more meaningfully with others.

'Muqabla', Vedatya's Flagship Annual Inter-School Competition

Students of Tagore Public School participated in '**Muqabla**', an annual inter-school competition organised under Vedatya's flagship, held at its scenic campus on Sohna Road, Gurugram, on 8th October 2025.

More than just a competition, '**Muqabla**' served as a platform for **learning, networking, and recognition**. The event featured four engaging categories — **Budding Chef, Ad Mad Show, Reel Influencer and Pitch Your Dream Hospitality Idea** — where students showcased their creativity, talent, and innovative thinking.

Throughout the event, participants had the opportunity to interact with industry professionals, enhance their skills, and gain valuable exposure. They also earned certificates, school trophies, and prizes, but most importantly, discovered their true potential.

Comprehensive Parent-Teacher Interaction for Academic Review

The Parent-Teacher Meeting (PTM) for Grades Nursery to XII was conducted on 4th October 2025 at Tagore Public School, Gurugram, with an aim to foster meaningful collaboration between parents and educators. The session served as a significant platform to deliberate upon the academic performance, behavioral growth, and overall development of students during Term I.

The atmosphere was marked by active engagement and constructive dialogue as teachers shared comprehensive feedback on each student's scholastic and co-scholastic progress. Parents, in turn, expressed appreciation for the school's continuous efforts and offered valuable insights to further enhance learning outcomes.

For the senior grades, X and XII, the focus of discussion revolved around the Periodic Test-2 (PT-2) results. Teachers provided strategic guidance and individualized advice to help students gear up effectively for the forthcoming Pre-Board Examinations. Emphasis was laid

on rigorous practice, conceptual clarity, disciplined study routines, and maintaining a positive mindset.

Viksit Bharat Buildathon 2025 - Webinar

Students of Tagore Public School enthusiastically attended a webinar on Viksit Bharat Buildathon 2025 held on October 13, 2025, in the school premises. The session aimed to guide students and teachers through the process of participating in the national-level innovation competition designed to nurture creativity, problem-solving, and technological skills

among young minds.

The webinar aimed to:

- Inspire students to contribute to the vision of Viksit Bharat@2047.
- Highlight the importance of innovation, digital

empowerment, and sustainable development.

- Encourage active youth participation in nation-building activities.
- Promote awareness of how creativity, problem-solving, and teamwork can help achieve the nation's developmental goals.

Students also learned about the four key themes of the Buildathon: Atmanirbhar Bharat: Building self-reliant systems and solutions.

- Swadeshi: Nurturing indigenous ideas and innovations.
- Vocal for Local: Promoting local products and resources.
- Samriddh Bharat: Creating pathways to sustainable growth and prosperity.

The webinar proved to be insightful and inspiring, encouraging students to participate actively and contribute innovative ideas toward building a self-reliant and progressive India.

Victory of Good over Evil - Dussehra Celebration

Tagore Public School celebrated the festival of **Dussehra** with great zeal and devotion, highlighting the triumph of good over evil. The programme began with the sacred chanting of the **Gayatri Mantra**, spreading spiritual vibes all around.

This was followed by an inspiring speech on **Dussehra**, reminding everyone of the values of truth,

courage, and righteousness from Lord Rama's life. To add melody to the celebration, **RK Sir presented a soulful Dussehra song**, which filled the audience with festive cheer.

The highlight of the event was the **Dance Drama on Dussehra**, where students beautifully enacted the story of Lord Rama's victory over Ravana, leaving the audience spellbound. Each scene was filled with devotion, energy, and meaningful expressions.

Principal Ma'am then addressed the gathering, appreciating the performances and motivating the students to follow the path of goodness in their lives.

Children from Grades Nursery-III enjoyed a lively **Garba dance**, twirling gracefully in colourful costumes, adding energy and excitement to the occasion. The event beautifully blended **fun with learning**, leaving students with happy memories and the timeless lesson of the triumph of good over evil.

Diwali Celebration

Victory of Good Over Evil

On 17th October, Tagore Public School celebrated the festival of *Diwali* with great enthusiasm and joy. The Pre-Primary students presented a wonderful Diwali assembly showcasing a beautiful dance performance along with a **Ramayana** act. The little ones performed with full confidence and brought the story of Lord Rama to life through their expressions and dance. Their presentation filled the atmosphere with festive spirit and happiness. The efforts and energy of the young performers were truly commendable. After the performance, our respected Principal Ma'am addressed the gathering and extended warm Diwali wishes to all the students and staff. Her words added to the festive charm and encouraged everyone to celebrate Diwali safely and joyfully. Following the assembly, the pre-primary students returned to their classes and enjoyed **decorating diyas** with bright and colourful designs.

The entire celebration reflected creativity, teamwork, and the true essence of Diwali — the victory of light over darkness.

To further celebrate the spirit of Diwali, the school also organized an Inter-House Competition providing students with an opportunity to showcase their creativity and festive enthusiasm. The competition included

the following categories:

Category I (Grades III-V): Diya Decoration, category II (Grades VI-X): Toran Making and category III (Grades XI-XII): Rangoli Making

Students participated with great zeal, bringing all required materials from home and presenting their artistic talents with enthusiasm. The school campus was adorned with vibrant colours and festive decorations, creating an atmosphere of joy and celebration.

The best entries from each house were awarded. The day was a perfect blend of learning, creativity, and celebration — truly capturing the essence of Diwali.

Taekwondo Presentation: Strength, Respect and Focus

Tagore Public School organized an energetic and inspiring Taekwondo Presentation for Grades I to VIII on 29 October 2025 (Wednesday). The event aimed to showcase the skills, discipline, and confidence that students have developed during their Taekwondo training sessions.

Students enthusiastically demonstrated various Taekwondo stances, kicks, blocks, and self-defence techniques under the guidance of their instructor. Their performances reflected not only their physical strength and flexibility but also the values of focus, respect, and perseverance—the true spirit of Taekwondo.

The event encouraged students to embrace fitness, discipline, and determination as an integral part of their daily lives. The school appreciated the sincere efforts of the students and their instructor for putting up a spirited and disciplined performance.

Spooktacular Halloween Party

On 31st October 2025, Tagore Public School celebrated **Halloween** with great enthusiasm and excitement. The school was beautifully decorated with spooky pumpkins, cobwebs, ghosts, and bats that created a thrilling Halloween atmosphere. The day was filled with laughter, joy, and a spirit of togetherness as our little ones stepped into the world of fun and fantasy.

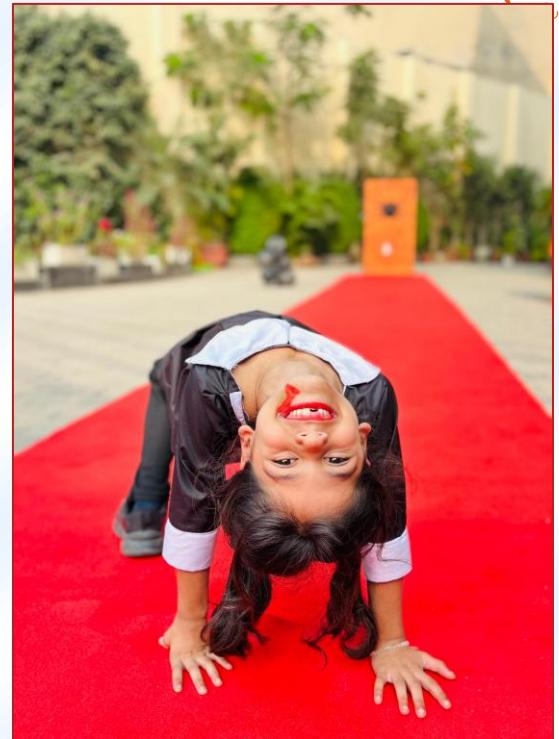

The celebration began with a **Colourful Costume Parade**, where children came dressed as witches, ghosts, pumpkins, fairies, superheroes, and vampires. Each child walked the ramp confidently, showcasing their creative costumes and enjoying the loud cheers from their friends and teachers.

Children also took part in a variety of fun-filled games that added excitement to the day. The **Hat Ring Toss Game**, **Bowling Game**, and **Tower Game** kept everyone engaged and entertained. Little ones enthusiastically tossed rings onto the witch's hat, rolled balls to knock down spooky pins, and built tall towers with great focus and teamwork. Each game was filled with laughter, cheers, and friendly competition, making the celebration truly lively and unforgettable.

The **Photo Booth Corner** became another favourite spot — decorated with spooky props and vibrant backdrops, it gave students a chance to capture fun-filled memories of this special day.

The day was a perfect mix of joy, imagination, and festive fun. Every corner echoed with

laughter, excitement, and the spirit of togetherness. The Halloween Party truly gave our little learners a day to remember — one filled with spooky surprises and endless smiles!
