GURUGRAM

LAST DATE FOR REGISTRATION : 21ST OCT

with no registration fee

We look forward to your esteemed presence and to building, together, a principled and proactive
movement for digital well-being in schools.

TOGETHER, LET'S LEAD THE CHANGE.

Why This Conversation Matters?

We are witnessing **rising cyberbullying and online safety concerns.**

Schools often respond **in silos**, leading to inconsistent support for students.

We need a **shared city cluster protocol** to act together, consistently and responsibly.

Message from the Principal

Leading with Vision, Growing with Passion

Dear Colleagues and Young Leaders,

As someone who has served in the paramilitary forces, I have seen first-hand what it means to protect – not just territory, but people. That same sense of duty now guides me every day as an educator.

In today's digital battlefield, the threats our students face are silent, faceless, and often invisible to us until the damage is done. Cyberbullying, online harassment, and digital exploitation have become the new frontline. And just as no soldier fights alone, no school can effectively tackle this challenge in isolation.

It is with this conviction that Tagore Public School is hosting the Inter-School Roundtable Conference on "Digital Citizenship & Proactive Cyberbullying Intervention."

This is not just another seminar. It is a call to action – bringing Principals and Head Boys/Head Girls together with the Gurugram Police Cyber Crime Cell and child-safety experts to build a shared defence: clear protocols, early intervention systems, and a strong student-led code of digital conduct.

I invite you not merely as guests, but as partners in this mission. Together, we can create a safer digital environment for the children under our care – one where vigilance, responsibility, and courage become second nature.

I look forward to standing shoulder to shoulder with you on 24th October 2026.

Warm regards,

Mrs. Madhu Chauhan

Principal

TGAORE PUBLIC SCHOOL

GURUGRAM

The Format

A two-track structure that brings leadership and student voice together to shape our shared digital future.

Principals' Roundtable

A closed-door Roundtable for Principals of invited schools to deliberate on digital citizenship challenges and co-create shared commitments.

Head Boy/Head Girl Leadership Forum

A parallel student leadership forum for Heads of invited schools to share perspectives, ideas and commitments on digital citizenship.

CONVERGING INTO

Joint Working Session

Both tracks come together for a joint working session
to shape and adopt the

Inter-School Digital Citizenship Charter

Why Participate

By joining this Roundtable, your school will gain practical tools, trusted networks, and leadership opportunities to build a safer, more responsible digital community.

01

Practical Cyberbullying Response Protocol

Develop and take back a cyberbullying response protocol tailored for your school.

02

Access to Police/NGO Resources

Benefit from guided access to police and NGO resources for escalating and resolving cyberbullying incidents.

03

Peer Network of Principals and Student Leaders

Build a peer network of Principals and student leaders for ongoing collaboration and support.

04

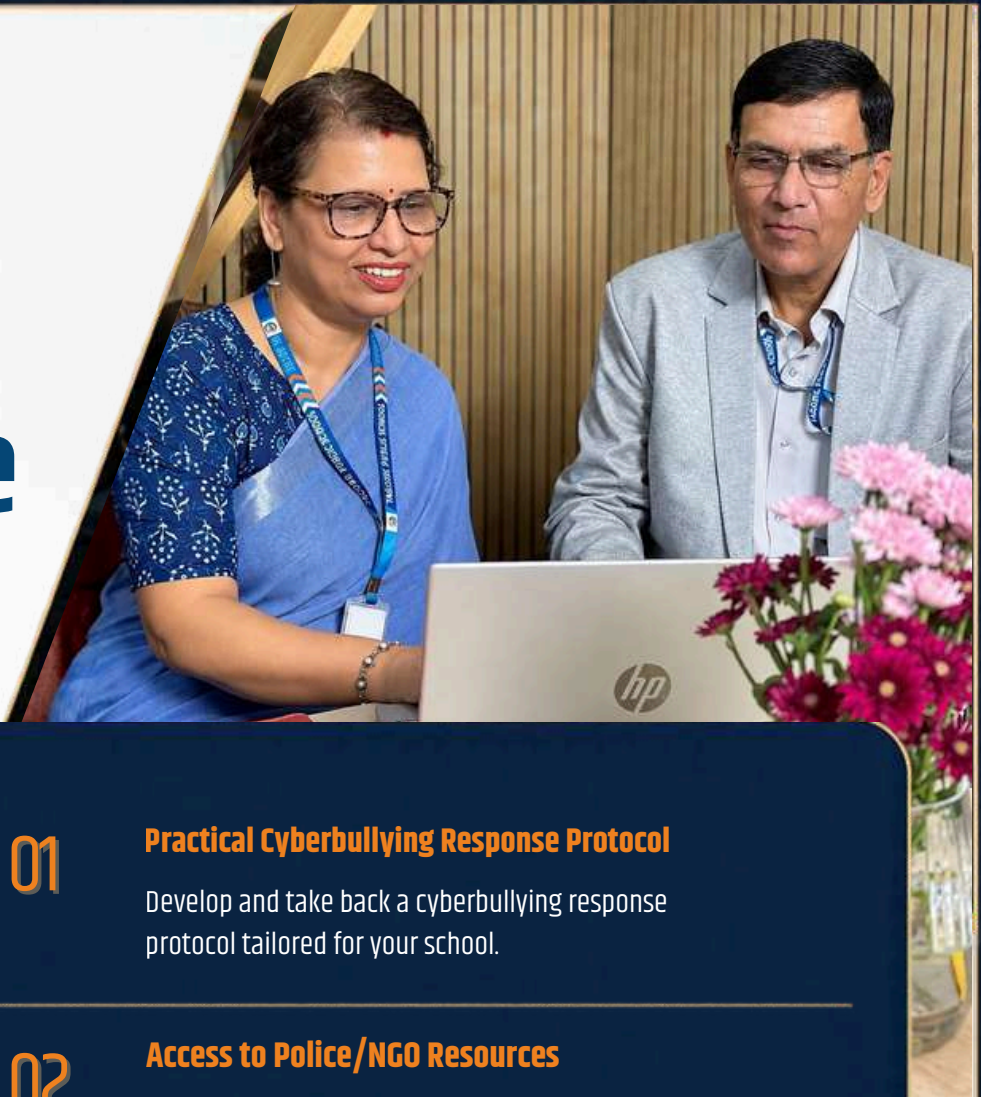

Leadership Responsibility

Strengthen leadership responsibility in creating a safe, respectful online environment.

05

Facilitation & Peer Counselling Skills

Equip students with facilitation and peer counselling skills to support their peers effectively.

What Student Leaders Will Contribute?

Our student leaders will bring first-hand perspectives and practical insights to the Inter-School Roundtable Conference, shaping conversations that are honest, constructive and solution-focused.

DISCUSSION AREAS STUDENT LEADERS WILL INFLUENCE

- 01** Current realities of cyberbullying across apps, group chats, gaming and anonymous messaging
- 02** Bystander-to-upstander response
- 03** Peer-support/safe-reporting relay
- 04** Digital footprint and reputation
- 05** The Student Code of Digital Conduct

What Principals Will Discuss?

A focused agenda to build shared clarity, stronger systems and a collective culture of care.

1

EARLY WARNING SIGNS

Common behavioural, academic and social indicators to watch for.

2

MINIMUM SOP FOR REPORTING/ESCALATION

A standard school-level protocol for reporting, escalation and follow-up.

3

LEGAL LITERACY AROUND THE IT ACT, POCSO ACT AND JUVENILE JUSTICE ACT

Essential awareness of relevant legal provisions and school responsibilities.

4

COUNSELOR CAPACITY

Building in-house capacity and access to professional support.

5

PARENTAL ENGAGEMENT

Effective, empathetic and consistent parent-school partnerships.

6

RESTRICTION VS DIGITAL LITERACY

Moving from blanket restriction to responsible digital citizenship.

7

PROPOSED CHARTER

Co-creating a simple Inter-School Digital Safety Charter for adoption across schools.
